India's leading exhibition

# A Global Legacy Arrives in India

For over 47 years, transport logistic has been the world's leading logistics trade show, establishing a sector-defining influence and global impact, with a presence spanning Germany, USA, Africa, China, Türkiye and Singapore.

The transport logistic series, crowned by transport logistic Munich, the world's largest trade fair for logistics, mobility, IT and supplychain management has set the benchmark for innovation and dealmaking.

The Munich 2023 snapshot provides a glimpse into the event's immense scale drawing 2,600 exhibitors from 70 countries, around 75,000 visitors from 135 countries and covering the full spectrum of multimodal transport, including air, sea, rail, road and IT, showcased in 150,000 sq.m. of exhibition space across ten halls and an outdoor area.

transport logistic India joins this powerhouse family bringing the same credibility and business-making energy for the first time to the world's fastest growing logistics market. Expect the entire logistics ecosystem such as air freight, maritime shipping, rail networks, road transport, IT & digital solutions under one roof.

## The transport logistic India Advantage

Messe Muenchen India, the most diversified B2B organizer in India leverages its unparalleled network and direct links to 14 high-growth verticals, including air cargo and freight, equipment and machinery, construction electronics, logistics, and others, creating a powerful convergence of industries to significantly broaden business opportunities.

# Powered by a National Advisory Committee

transport logistic India 2026 will be strategically guided by a National Advisory Committee. This influential think tank encompasses top demand-side businesses, including major manufacturers from pharmaceuticals, infrastructure, large-scale retailers, industrial conglomerates and major supply chain operators.

## Their expertise will be leveraged to:

Shape the trade fairs agenda around future-proof trends, ensuring maximum relevance for the industry.

Amplify outreach efforts to attract high-level participation, including board level decision makers.

Deliver policy insights and facilitate connections that translate into long-term business partnerships and sustained business growth.

## Co-Located with 11th edition of

**aci air cargo  
INDIA**

exhibition and conference

transport logistic India 2026, co-located with the 11th edition of air cargo India, delivers an unprecedented level of access for logistics professionals.

air cargo India, India's most influential air cargo and logistics event, brings a highly valuable C-suite audience including airlines, airports, integrators, charter brokers, government departments, solution providers, handlers etc., providing direct access to an elite decision making audience instantly multiplying the value of every minute spent on the show floor.

This co-location streamlines interaction and networking across the entire supply chain spectrum, helping evaluate multimodal solutions side-by-side, and forge critical partnerships with exceptional speed and effectiveness.

In short, this integration of two leading events creates a single, dynamic platform where stakeholders can connect, collaborate and accelerate business opportunities.

## Legacy of Global Brands at air cargo India:

# project cargo India at transport logistic India 2026

Where Heavy Lift Meets Global Logistics

Strategic Alliance Partner

project cargo India - Where break bulk, engineered lifts, and over-dimensional cargo meets the full multimodal ecosystem—road, rail, sea, air & warehousing.

Debuting at Messe München India's transport logistic India 2026 through an exclusive alliance with Heavy Lift & Project Forwarding International, project cargo India delivers a premium showcase of equipment, expertise, and end-to-end solutions for the world's most demanding cargo moves.

## The project cargo advantage:

- **Co-located Power:** Share footfall with transport logistic India & air cargo India—the region's most influential logistics marketplaces.
- **All Modes - One Floor:** Engage freight forwarders, shippers, ports, airlines, rail operators, EPCs & tech innovators in a single visit.
- **High-Impact Visibility:** Joint marketing, shared conferences, and Heavy Lift's global media reach multiply your brand exposure.
- **Decision-Maker Access:** Meet top decision makers driving India's US \$1 trillion infrastructure push—PM Gati Shakti, Dedicated Freight Corridors, NLP.
- **Global Presence:** Part of a six-city series—Miami, Singapore, Shanghai, Istanbul & Nairobi—amplifying your international network

## What to Expect
